*Psalm 91: 2-4; 2 I will say of the Lord, He is my refuge and my fortress: my God; in him will I trust. 3 Surely he shall deliver thee from the snare of the fowler, and from the noisome pestilence. 4 He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield and buckler.*

***Are you looking for the perfect extension of our auction software to help you on the go***

## **Check out our Auction Cataloging App**

The only auction cataloging app that works seamlessly with our auction software. Not only does it give you easy access to our software wherever you are, it lets you work on-site to catalog items and gives you the ability to quickly add a last-minute lot before the auction begins. Not to mention that our app is included in your software package for no additional cost!

## To SEO or Not to SEO *That Is The Question*

If you're looking to bring in quality bidders who are likely to participate in your auctions, you will want to make sure that they see your auctions in their search results. Otherwise both buyers and sellers will look elsewhere to meet their auction needs. It's important to make sure that you have a good plan for your auction website SEO.

## Importance of Mobile Usability for Your Auction Business

Is your online and live auction website mobile responsive? Can bidders easily navigate through the site, effortlessly browse images that fit the dimensions of their screens, and effectively place bids? Can YOU efficiently manage your current auctions from your phone, make last minute updates to lots and track bidders without becoming overly frustrated?
