2020 NAA Conference & Show Wrap Up

We want to thank everyone for such a great 71st Annual International Auctioneers Conference & Show! We know that it was different with everything being online, but we were happy to be a part of it and show our support for the industry. Hopefully everyone learned a thing or two and is ready to push on through the rest of 2020! We'd love to hear what you thought of the show and answer any other questions you might have had about our auction software. It's not too late for a free demo of our software either! See you next year in Minneapolis!
