

Happy Thanksgiving!

It has been an incredible 23 years since we opened our doors at Auctioneer Software. Throughout the years, the Lord has continued to bless us with many great clients, relationships, increased growth opportunities, an excellent staff, and a positive company environment.

In this season of gratitude and thanks, we continue to reflect on the past years and all that the Lord has blessed us with. It is important that we take time out of our busy schedules to give thanks for our clients and acknowledge how grateful we are for each one of you. We are grateful for the numerous opportunities that you have given to us over the last year to serve you and supply your needs.

We wish the best for you and your families for this upcoming holiday season.

With love and gratitude,

The Auctioneer Software Team
